Describe other research/internships briefly

What do you expect this internship will do for future educational opportunities?

III. Essay (1 to 2 pages)

In your essay describe (1) why you believe you should be selected for an internship in the Sun-Earth Connection Program at GSFC, (2) indicate your interest in the area of internship you prefer, and (3) describe what you expect to learn from the internship. The content, style and completeness of your response will be major considerations in the decision process. Type your essay on a separate piece of paper
